3) " As Chandrasekharaiyer Msc on Rs 60/-

4) " H.V. Raghavendra Rao Bsc Rs 45/-

(under reference)

(1) During the past two months Govt have been pleased to order, as special cases, the appointments of the marginally noted Brahmin Candidates in the Comptroller's Office Even ordinary graduate among them have been given a starting pay of Rs 45/- and the others the maximum of Rs 60/- in grade Rs 30-3-60. and, in some cases it has been directed that they may be appointed to the higher grade soon after they pass the requisite departmental Examinations.

(2) These appointments have worked a hardship on the ~~Can~~ CRB Candidates waiting for appointment on the 'A' list of other units, four of whom would have been otherwise got employed.

(3) In this connection it is subd that service for b.c. graduates in this or encouraging unit has not been attractive due to the low initial Start of Rs 30/- on which pay they will be kept on for at least a Couple of years and have very remote Chances for promotion to the higher grade. It would ~~not~~ attract more candidates of these Communities if the privilege they are accorded to these Candidates under reference in regard to higher Start & promotion to the higher grade.

(4) graduates ~~in~~ on the ~~Waiting~~ A lists of other units who have been waiting long may be transferred to the Comptroller's unit.

There is very little to be examined in this case also in which orders are obtained from Govt. without previously consulting the C.R.B. Such a procedure has is being adopted of late in the H. Dept. as case was gathered from the files relating to the 3 cases noted in the margin. In the present case, the candidate may be a right type of man for the audit Dept. The H. Dept could very well ask the C.R.B. to advertise and call for applications from the right type of men after prescribing necessary qualifications. No such procedure has been adopted and yet a sweeping remark has been made for the present case than the case of more deserving candidates are overlooked. After all among Br. also there may be half a dozen such men and they are not sufficient to fill up dozens of vacancies in the Audit Dept. & ultimately longer number of vacancies have to be filled up by appointing graduates who are lacking in physique individual favours shown as in the present case, will surely create heart burn among other candidates. Apart from this, ordinary graduates and double graduates sometimes are given much higher pay than these candidates who have put in 5 to 6 years of service are stagnating on Rs 300/-. Besides it is rarely that N.B. candidates are shown such concessions. Apart from the unattractive service conditions in this Dept, the above state of affairs render the problem of recruitment all the more difficult and it is high time that these things are considered seriously and some remedial steps adopted.
